Fuelplanner and its entities make no warranty and disclaim all responsibility and liability for: (i) the completeness, accuracy, availability, timeliness, security or reliability of FAPI; (ii) any harm to your computer system, loss of data, or other harm that results from your access to or use of FAPI or any content; (iii) the deletion of, or the failure to store or to transmit, any content and other communications maintained by the services; and (iv) whether the services will meet your requirements or be available on an uninterrupted, secure, or error-free basis. No advice or information, whether oral or written, obtained from Fuelplanner entities or through the FAPI, will create any warranty not expressly made herein.

## Privacy

The following information may be collected for every call to FAPI, including but not limited to remote IP address, date and time of the request, request URL, HTTP result code, and HTTP response size, name and version of the calling application, the user handle. Certain abnormal requests and application errors cause diagnostics to be logged which may contain additional information. From time to time, the full text of requests and responses might be captured for troubleshooting or statistic purposes.

Blacklists may be kept containing IP addresses, timestamps, and any other information useful to disallow access to the service to disruptive users.

None of this information will be shared with third parties in any way, or used for purposes unrelated to the provision of this service, unless required by law.

Logs, blacklists, and other diagnostic data may be kept indefinitely.
